PARENT INVOLVEMENT: Through the efforts of the parents, the PTG, and the entire staff working together, our program continued to grow. Students experienced a variety of fine arts and cultural programs.

ACADEMIC PERFORMANCE: Emphasis on reading has resulted in Grade 4 students scoring above the state and district average. Students in grade 1 have shown success in reading. All grade levels showed positive growth toward mastering reading comprehension.

READING INCENTIVE PROGRAM: All classes participated in a reading incentive program as an avenue to achieving the twenty-five book reward standard. Children kept reading logs and parents were involved in helping the students reflect upon what was read.
