In their own words

Highlights from the school

* See Web for school goals

GRADE 8 CAMPOUT: Our students spent a night camping and living like a settler. Measuring, writing, cooking and survival skills were put to the test.

OCEANOGRAPHY UNIT: Grade 7 students collected data on sailing and learned about ocean species, environmental effects and how science helps. This is a hands-on class.

STUDENT’S SHOWCASE: We held a two day exhibit that shows the differences in each state. This included projects, videos and demonstrations.
