In their own words

Highlights from the school

* See Web for school goals

COMPUTER MINI LABS: Rogers HS made tremendous progress in establishing computer labs in each department's classroom area. These computers will allow teachers to expand their research projects.

The Jr. ROTC program continues to excel. The Drill, Rifle and Raider Challenge teams all won honors. The entire battalion performed a variety of community and charitable work during the year.

STANDARDS BASED CURRICULUM: Rogers continues to move toward a standards-based curriculum. All departments have included standards in their curriculum development; the Math Department has implemented a complete standards-based curriculum.
