In their own words

Highlights from the school

*See Web for school goals

CHANGE INSTRUCTIONAL EMPHASIS: Emphasis on improving individual academic skills rather than required content coverage.

INSTRUCTED NWEA TESTING: Instructed longitudinal testing in reading, writing, and math problem solving with individual, adaptive testing three times per week.

ESTABLISHED A NIGHT PROGRAM: Created a night school program where school was open for dinner and study from 5:00PM-8:00PM, Monday through Thursday.
