

## **In their own words**

Highlights from the school

\* **See Web**

for school goals

**NCEE PILOT SCHOOL:** The National Center for Education and Economy chose our high school as one of six schools nationwide to serve as a pilot to their standards initiative.

**SCHEDULING AND TEAMING INITIATIVE:** The faculty and administration reached consensus in employing an alternating block schedule and teaming for all incoming 9th and 10th graders.

**PARENTS FORUM:** Monthly forums were held this past year with a core group of thirty parents, addressing issues of teaching, learning and guidance.
