In their own words
Highlights from the school

Participated in school wide K-5 "JA 4 Kids" Program, enlisting parent and business volunteers to deliver curriculum to students.

Participated in first-ever school wide Standards-Based Student Math Day as part of Spirit Week in June. Students also made living graphical representations of findings.

During Reading Week, all staff members read their favorite children's stories and poems to students in all grades. Students voted on favorites and winning class received winning pieces of literature.

Teacher reports of barriers to school improvement efforts

Percent of teachers who indicated that the following were a moderate or major problem:

- Lack of materials and resources necessary for adequate implementation
- Lack of school schedule flexibility for regrouping students or modifying the length of periods
- Lack of time necessary for adequate planning and/or implementation
- Lack of adequate professional development time for staff
- Degree to which teachers were involved in, or supportive of, the decision to join and implement school improvement efforts
- Lack of support from the school district
