All numbers are expressed as the percentage of students who met or exceeded the standard.

● **Orange** markers indicate schools that were **above** the statistical model in 2000.

◆ **Black** markers indicate schools that were **below** the statistical model in 2000.

Orange % shows that the percentage is **more than** the proportion of similar students statewide.

Regular type % shows that the percentage is the same as the proportion of similar students statewide.

Italic % shows that the percentage is **less than** the proportion of similar students statewide.
