Schools are sorted according to Time Lost.

Schools listed in **bold purple** are considered high performing schools according to RIDE's School Performance Categories.
 Schools listed in regular black type are considered moderately performing schools according to RIDE's School Performance Categories.
 Schools listed in **italic black** type are considered low performing schools according to RIDE's School Performance Categories.
 Schools listed in *regular italic* type are excluded from RIDE's School Performance Categories.

NA: Data not available or too few responses.

Schools in which health is not tested receive the district score.
