Improving Schools:

Those schools that increased the percentage of students reaching proficiency by at least 3% and decreased the percentage of students in the three lowest categories by at least 3% between years 1998 and 2002.

Performance Levels over 2000, 2001, & 2002

High:
50% or more students performing proficiently

Low:
33% or more students performing in lowest categories

Moderate:
All others

Regents Commended Schools

Schools categorized as improving in both Math and ELA in both 2001 and 2002.

 Title I schools subject to provisions of the federal No Child Left Behind Act.
