01 **Purple markers** indicate prior years when schools were **above** the statistical model on all subtests.

00 **Black markers** indicate prior years when schools were **below** the statistical model on all subtests.

**Purple %** shows that the percentage is **more than** the proportion of similar students statewide.

Regular type % shows that the percentage is the same as the proportion of similar students statewide.

**Italic black %** shows that the percentage is **less than** the proportion of similar students statewide.

All numbers are expressed as the percentage of students who met or exceeded the standard. Schools are alphabetized within each band.
