Please note: All numbers are expressed as the percentage of students who met or exceeded the standard. Schools are alphabetized within each band.

01 Purple markers indicate prior years when schools were above the statistical model on all subtests.

00 Black markers indicate prior years when schools were below the statistical model on all subtests.

Purple % shows that the percentage is more than the proportion of similar students statewide.

Regular type % shows that the percentage is the same as the proportion of similar students statewide.

Italic black % shows that the percentage is less than the proportion of similar students statewide.
