**Engaging Families and Community**

**Communicating and working with parents**

Parents and guardians are any school's strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students' families cultivates a relationship between the home and the school that puts the families squarely on the school's team when working with students.

<td>20%</td>
</tr>
</tbody>
</table>

The percentage of students in the school whose parents responded to the SALT Survey.

---

**What Parents Say**

Percent who report they agree or strongly agree that:

- This school views parents as important partners.
- The school and I have different goals for my child.
- My child is learning as much as he/she can at this school.

---

**What Teachers Say**

Percent who say that weekly or daily:

- They meet with individual parents to solve problems and provide assistance.
- Teachers on their team or grade level maintain positive relationships with students' parents.
- Two-way communication between home and school is essential to effective education.
