Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

### Communicating with parents

**Parent Participation Rates**

- **This school**
- **The state**

The percentage of students in the school whose parents responded to the SALT Survey

### What Parents Say
