Each of our schools is expected to meet annual targets in mathematics, reading, and writing - both for the school as a whole and for various groups of students within the school. We measure school performance through annual state assessments.

**School Classification Indicators** (21 Targets)

- **Mathematics**
  - This school's index score
  - 2004 state target

- **English Language Arts**
  - This school's index score
  - 2004 state target

**Index scores** range from 0 to 100. They are based on the performance levels of all students in both English language arts and mathematics, for all subtests, over three years. For further detail, see the 2004 School Report Cards at www.ride.edu.

**Performance Progress**

**Student achievement over the past four years**

- **Mathematics Index Scores**

  - The state

- **English Language Arts Index Scores**
  - This school
  - The state

**Classification**

This school is moderately performing and improving.

Schools that miss targets are classified as in need of improvement, as required by federal law.
