Learning and Achievement

Each of our schools is expected to meet annual targets in mathematics, reading, and writing - both for the school as a whole and for various groups of students within the school. We measure school performance through annual state assessments.

Index Scores and Targets

(3 years of assessment data)

Index scores range from 0 to 100. They are based on the performance levels of all students in both English language arts and mathematics, for all subtests, over three years. For further detail, see the 2004 School Report Cards at www.ride.net.
