

Data to Drive Decisions

Rhode Island gathers a variety of data to help schools with planning and accountability. The value-added calculations and the learning-support indicators combine different sources of data to help schools plan instruction, allocate resources, and focus on student performance.

Characteristics of students attending this school

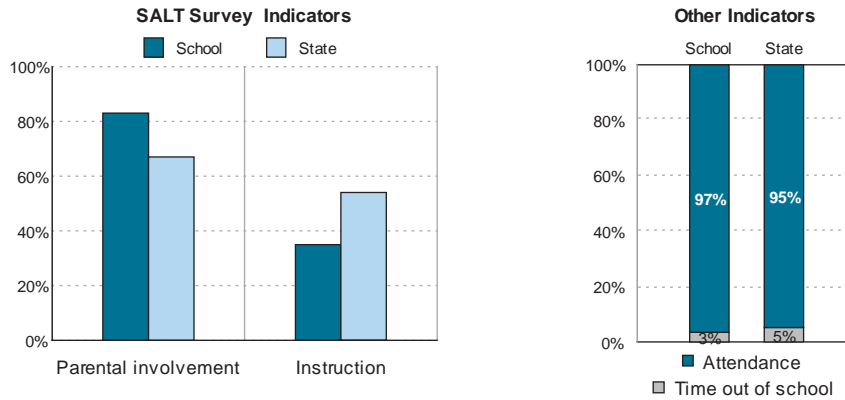

Value-Added Indicators

The tests used to calculate the value-added indicators are not administered at this school's grade levels.

Learning-Support Indicators

State averages are calculated by school level (elementary, middle and high).
