Mathematics

English Language Arts

SALT Survey Indicators

Learning Support Indicators

State averages are calculated by school level (elementary, middle, and high).

Other Indicators

Additional school indicators

? Indicates school did not supply this information.

Data to Drive Decisions

Rhode Island gathers a variety of data to help schools with planning and accountability. The value-added calculations and the learning-support indicators combine different sources of data to help schools plan instruction, allocate resources, and focus on student performance.

Using Information

Blackstone Academy Charter School (High School)
Charter District
