Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students. (Only students in 4th grade and above take the SALT survey.)

### What Teachers Say

**Working with parents**

- **Parental involvement in school governance is essential to effective education.**

- **Contacts me if my child does something well or improves.**

- **Contacts me if my child is having a problem.**
