Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students. (Only students in 4th grade and above take the SALT survey.)

The percentage of students in the school whose parents responded to the SALT Survey

This school

R.I. elementary schools

Percent of parents who report that at least weekly:

They meet with individual parents to solve problems and provide assistance.

Teachers on their team or grade level maintain positive relationships with students' parents.

Two-way communication between home and school is essential to effective education.

Too few responses to report

Inadequate data submitted
