

# Engaging Families and Community

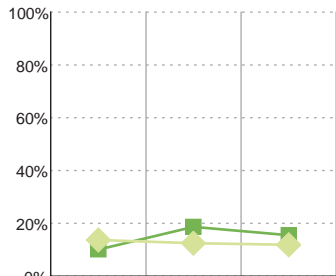

## Communicating and working with parents

Parents and guardians are any school's strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students' families cultivates a relationship between the home and the school that puts the families squarely on the school's team when working with students.

### Community support

This school  
R.I. high schools

**Parent Participation Rates**  
2002-03 2003-04 2004-05

The percentage of students in the school whose parents responded to the SALT Survey
