Communicating and working with parents

Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students. (Only students in 4th grade and above take the SALT survey.)

**Parent Participation Rates**

- **This school**
- **R.I. elementary schools**

The percentage of students in the school whose parents responded to the SALT Survey

**Percent of parents who report that the school does well:**

- **Parents**
  - Percent who agree or strongly agree:
    - That the community supports this school.
    - The extent to which parents and the community are supportive of the school and its program.
    - They are home unsupervised 3 or more hours a day, 3 or more days a week.

**What Teachers Say**

Percent of teachers who agree or strongly agree:

- They use parents as school resources or volunteers.
- That the community supports this school.

**What Parents Say**

Percent of parents who report that the school does well:

- Contacts me if my child does something well or improves
- Contacts me if my child is having a problem
- Responds to my concerns and requests within a reasonable time
- Has a parent-teacher conference with me
- Asks me to volunteer at the school

**Teacher practices and attitudes**

Percent who report that at least weekly:

- They meet with individual parents to solve problems and provide assistance.
- Teachers on their team or grade level maintain positive relationships with students’ parents.
- Two-way communication between home and school is essential to effective education.
- They use parents as school resources or volunteers.

*Too few responses to report? Inadequate data submitted*
