Each of our schools is expected to meet annual targets in mathematics, reading, and writing - both for the school as a whole and for various groups of students within the school. We measure school performance through annual state assessments.

2005 Assessment Results

GRADE 11

Percentage of students at each performance level

Mathematics

- Achieved the Standard with Honors
- Achieved the Standard
- Nearly Achieved the Standard
- Below the Standard
- Little Evidence of Achievement
- No Score

Bar graphs may not sum to 100% due to rounding.

Missing data indicates fewer than 45 students in that group over three years.

Index scores range from 0 to 100. They are based on the performance levels of all students in both English language arts and mathematics, for all subtests, over three years. For further detail, see the 2005 School Report Cards at www.ride.ri.gov.
