

Data to Drive Decisions

Rhode Island gathers a variety of data to help schools with planning and accountability. The value-added calculations and the learning-support indicators combine different sources of data to help schools plan instruction, allocate resources, and focus on student performance.

Characteristics of students attending this school

Value-Added Indicators

Value-added indicators were not calculated because state assessments were not administered at the grade levels in this school in the 2004-05 school year.

Learning Support Indicators

\* Too few responses to report  
? Inadequate data submitted

Additional school indicators

? Inadequate data submitted

	This school	This district's middle schools	R.I. middle schools
