The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8. RIDEn uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2007 that uses data from the 2006-07 school year.

Assessment Results 2005-06 & 2006-07

Grade 3

Math

Reading

Percent of students reaching proficiency

- Proficient with Distinction
- Proficient

Percent of students not reaching proficiency

- Partially Proficient
- Substantially Below Proficient

Mathematics: Percent Proficient

2005-06 2006-07

- This school
- R.I. elementary schools

Reading: Percent Proficient

2005-06 2006-07

No students in grade 5.

Only Grade 3 is tested in this school.

Bar graphs may not sum to 100% due to rounding.

Missing data indicates fewer than 10 students tested.
