Learning and Achievement: Assessments

The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2007 that uses data from the 2006-07 school year.

Assessment Results
2005-06 & 2006-07

Percent of students reaching proficiency
- Proficient with Distinction
- Proficient

Percent of students not reaching proficiency
- Partially Proficient
- Substantially Below Proficient

Mathematics: Percent Proficient
Reading: Percent Proficient
Writing: Percent Proficient

Missing data indicates fewer than 10 students tested. Bar graphs may not sum to 100% due to rounding.

Performance Progress
