The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2007 that uses data from the 2006-07 school year.

Performance Progress
All tested grades

- This school
- R.I. middle schools

Proficiency by Student Characteristics
2006-07: Grade 8

Characteristics of Students

Missing data indicates fewer than 10 students tested.
