The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2007 that uses data from the 2006-07 school year.

**Assessment Results 2005-06 & 2006-07**

- **Mathematics:**

- **Reading:**

**Performance Progress**

- **Mathematics:**
  - Percent Proficient: This school is ahead of R.I. elementary schools.

- **Reading:**
  - Percent Proficient: This school is ahead of R.I. elementary schools.

**Proficiency by Student Characteristics 2006-07: Grade 5**

- **Percent of students reaching proficiency:**
