The New Standards Reference Exams are administered annually in March to students in grade 11. RIDE uses the results of these tests to determine school-performance classifications for high schools and to measure school and district progress. The assessment results on this report include results of the Alternate Assessment, which is administered to students with severe disabilities (about 1 percent of all students).

Assessment Results
2005-06: Grade 11

Performance Progress
Grade 11
- This school
- R.I. high schools

Proficiency by Student Characteristics
2005-06: Grade 11

Characteristics of Students

SAT Scores

Mathematics:
Achieved the Standard with Honors
Achieved the Standard
Nearly Achieved the Standard
Below the Standard
Little Evidence of Achievement
No Score

Bar graphs may not sum to 100% due to rounding.

NA: No test-takers

This year 57 R.I. high schools
This year 57 students took tests
