The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2007 that uses data from the 2006-07 school year.

### Performance Progress
All tested grades
- **This school**
- R.I. elementary schools

### Proficiency by Student Characteristics
2006-07: Grade 5

### Characteristics of Students

---

**Information Works! School Year 2005-06**
