The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2007 that uses data from the 2006-07 school year.

Wickford Middle School
North Kingstown District

Assessment Results
2005-06 & 2006-07

Mathematics:
- Percent Proficient
- Percent Not Reaching Proficiency

Reading:
- Percent Proficient
- Percent Not Reaching Proficiency

Writing:
- Percent Proficient

Performance Progress
All tested grades
- This school
- R.I. middle schools
