The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2007 that uses data from the 2006-07 school year.

Assessment Results
2005-06 & 2006-07

Percent of students reaching proficiency

Proficient with Distinction
Proficient

Percent of students not reaching proficiency

Partially Proficient
