Career-preparation programs, courses, and activities are designed to ensure that all students are considering their own futures, are exposed
to career and work options, and have the academic, technical, and employability skills to be successful in higher education and the workplace.

**Program Types**

- **Academies**
- **Career & Tech. Programs**
- **Tech Prep**
- **Career Exploration**

**Program Participants**

(Includes students in Academies, Career & Tech Programs, Tech Prep, and Career Exploration)

**SALT Survey Findings: Teacher Responses**

- **Percent of teachers who report that at least monthly, in their classes:**
  - Practical 'real world' applications of course material are discussed and emphasized.
  - Assignments are designed to help students learn about
    - resources in the community.
  - Projects are designed to help students learn about issues in the community.
  - People from the community are brought in to speak to the class on different topics.
  - Practical 'real world' applications of course material are discussed and emphasized.

- **At least weekly:**
  - Assignments are designed to help students learn about resources in the community.
  - Projects are designed to help students learn about issues in the community.
  - People from the community are brought in to speak to the class on different topics.
  - Practical 'real world' applications of course material are discussed and emphasized.
