</table>
| African-American | This school  

**SALT Survey Findings: Student Responses**

- **Teachers tell students how the work we do is related to our lives outside of school.**
- **Classroom activities are connected to the world outside the classroom.**
- **In classes, we are given assignments that help us find out about things outside of school.**
- **Projects are designed to help students learn about issues in the community.**
- **People from the community are brought in to speak to the class on different topics.**
- **Assignments are designed to help students learn about resources in the community.**
- **Teachers tell students how the work we do is related to our lives outside of school.**
- **Projects are designed to help students learn about issues in the community.**
- **People from the community are brought in to speak to the class on different topics.**
- **Assignments are designed to help students learn about resources in the community.**

**At least weekly:**

- **Practical 'real world' applications of course material are discussed and emphasized.**
