In a school community, both the adults and children can perform at their best only when they communicate well and feel connected to one another. Everyone needs to feel safe, nurtured, and supported - or teaching and learning are compromised. Data on this report comes from the annual SALT Survey.

### Social and Emotional Connectedness

**Connectedness among professional colleagues, teachers, and administrators**

This school
- R.I. elementary schools

*Too few responses to report? Inadequate data submitted*
