Social and Emotional Connectedness of the School Community

In a school community, both the adults and children can perform at their best only when they communicate well and feel connected to one another. Everyone needs to feel safe, nurtured, and supported - or teaching and learning are compromised. Data on this report comes from the annual SALT Survey.

---

### Connectedness among professional colleagues, teachers, and administrators

This school
- Percent who report they agree or strongly agree that their job lets me use my skills and knowledge.
- Percent who report they help decide how school policies ought to be changed.
- Percent who report they agree or strongly agree that teachers on my team or grade level respect each other's ideas and opinions.

R.I. middle schools
- Percent who report they are satisfied or very satisfied with their job.
- Percent who report they help decide how school policies ought to be changed.
- Percent who report they agree or strongly agree that opportunities to accomplish something worthwhile.

*Too few responses to report?
? Inadequate data submitted
