Communicating and working with parents

Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

Parent Participation Rates

- This school
- R.I. elementary schools

The percentage of students in the school whose parents responded to the SALT Survey.

Parents

- This school
- R.I. elementary schools
