Learning and Achievement: Assessments

The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8 and grade 11. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2008 that includes data from the 2007-08 school year.

Assessment Results

Percent of students reaching proficiency
- Proficient with Distinction
- Proficient

Percent of students not reaching proficiency
- Partially Proficient
- Substantially Below Proficient

Performance Progress

All tested grades
- This school
- R.I. elementary schools

Proficiency by Student Characteristics

2007-08: Grade 5

Percent of students reaching proficiency
- Math
- Reading

Percent of students not reaching proficiency
- Math
- Reading
