The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8 and grade 11. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2008 that includes data from the 2007-08 school year.

### Assessment Results

#### Percent of students reaching proficiency
- **Proficient with Distinction**
- **Proficient**

#### Percent of students not reaching proficiency
- **Partially Proficient**
- **Substantially Below Proficient**

### Performance Progress

#### Mathematics: Percent Proficient

##### Grades KG-6

#### Reading: Percent Proficient

##### Grades KG-6

#### Writing: Percent Proficient

##### Grades KG-6

### Proficiency by Student Characteristics

#### 2007-08: Grade 5

#### Percent of students reaching proficiency
