The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8 and grade 11. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2008 that includes data from the 2007-08 school year.

Curvin-McCabe School
Pawtucket District
Grades KG-6
Rose Mary Choiniere, Principal
404 Students
35 Teachers

Assessment Results

Percent of students reaching proficiency
- Proficient with Distinction
- Proficient
