The New Standards Reference Exams are administered annually in March to students in grade 11. RIDES uses the results of these tests to determine school-performance classifications for high schools and to measure school and district progress. This test was phased out in 2006-07; in 2007-08, high-school students took the NECAP tests, the results of which will be reported in Information Works! 2009.

### Performance Progress

**Grade 11**

- This school
- R.I. high schools

### Proficiency by Student Characteristics

#### 2006-07: Grade 11

- Percent of students reaching proficiency
  - Math
  - ELA

- Percent of students not reaching proficiency
  - Math
  - ELA

- Missing data indicates fewer than 10 students tested.

### Characteristics of Students

#### 2006-07: Grade 11

- Poverty
- Nonpoverty
- African-American
- Asian
- Hispanic
- Native American
- White
- Migrant
- Male
- Female
- Students with disabilities
- Students without disabilities
- English language learners
- Non-English language learners
