The New England Common Assessment Program (NECAP) tests are administered annually in October to students in grades 3 through 8 and grade 11. RIDE uses the results of these tests to determine school-performance classifications and to measure school and district progress. Please note that this is the only report in Information Works! 2008 that includes data from the 2007-08 school year.

### Assessment Results

#### Percent of students reaching proficiency

- Proficient with Distinction
- Proficient

#### Percent of students not reaching proficiency

- Partially Proficient
- Substantially Below Proficient

### Performance Progress

#### Mathematics: Percent Proficient

- This school
- R.I. middle schools

#### Reading: Percent Proficient

#### Writing: Percent Proficient

Missing data indicates fewer than 10 students tested. Bar graphs may not sum to 100% due to rounding.

### Proficiency by Student Characteristics

2007-08: Grade 8

#### Percent of students reaching proficiency

- Math
- Reading

#### Percent of students not reaching proficiency

- Math
- Reading

Missing data indicates fewer than 10 students tested.
