Curriculum and Instruction: Career Preparation

Programs and Participants

Career-preparation programs, courses, and activities are designed to ensure that all students are considering their own futures, are exposed to career and work options, and have the academic, technical, and employability skills to be successful in higher education and the workplace.

Participation of all students in Career-Preparation Education

Program Types

Program Participants (Includes students in Academies, Career & Tech Programs, Tech Prep, and Career Exploration)

SALT Survey Findings: Student Responses

SALT Survey Findings: Teacher Responses

This school

The state

At least weekly:

Assignments are designed to help students learn about resources in the community.
Projects are designed to help students learn about issues in the community.
People from the community are brought in to speak to the class on different topics.
Practical 'real world' applications of course material are discussed and emphasized.
