Engaging Families and Community

Communication and working with parents

Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

Parent Participation Rates

- The percentage of students in the school whose parents responded to the SALT Survey.

Community support

- This school
- R.I. middle schools

Parents

- Percent who agree or strongly agree:
  - That the community supports this school.

Teachers
