Parent Participation Rates

Percent of parents who report that the school does well:

Too few responses to report

Inadequate data submitted

Parents

Percent who agree or strongly agree:

That the community supports this school.

The extent to which parents and the community are supportive of the school and its program.

Students

Percent who report that:

Engaging Families and Community

Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

What Parents Say

Percent of parents who report that the school does well:

Parental involvement in school governance is essential to effective education.

Contacts me if my child does something well or improves

Contacts me if my child is having a problem

Responds to my concerns and requests within a reasonable time

Has a parent-teacher conference with me

Asks me to volunteer at the school

Percent who report that:

Engaging Families and Community

Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

Teacher practices and attitudes

Percent who report that at least weekly:

They meet with individual parents to solve problems and provide assistance.

Teachers on their team or grade level maintain positive relationships with students’ parents.

Two-way communication between home and school is essential to effective education.

Percent who report that at least monthly:

They use parents as school resources or volunteers.
