Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

Community support

Parent Participation Rates

The percentage of students in the school whose parents responded to the SALT Survey:

- This school
- R.I. elementary schools

- Too few responses to report
- Inadequate data submitted

Parents

Percent who agree or strongly agree:
