Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students. (Only students in 4th grade and above take the SALT Survey.)

Parent Participation Rates

Community support

This school

R.I. elementary schools

The percentage of students in the school whose parents responded to the SALT Survey.

What Teachers Say
