Highly qualified teachers

The single most important aspect of a child's education is having a good teacher. And teachers overwhelmingly cite student success as their principal motivator. To be maximally effective, teachers need to feel sure that their professional judgment is always vital to school improvement, to schoolwide decision-making, and to anything that affects the welfare of their students.

SALT Survey findings and barriers to reform

This school

R.I. elementary schools

* Too few responses to report

? Inadequate data submitted

**Teacher Participation Rates**

The percent of teachers who responded to the SALT Survey

**What Teachers Say**

Percent of teachers who say that the following are a moderate to major problem:

- Lack of time necessary for adequate planning and/or implementation
