Recruiting and Supporting Teachers

Emma G. Whiteknact School
East Providence District

Highly qualified teachers

The single most important aspect of a child’s education is having a good teacher. And teachers overwhelmingly cite student success as their principal motivator. To be maximally effective, teachers need to feel sure that their professional judgment is always vital to school improvement, to schoolwide decision-making, and to anything that affects the welfare of their students.

SALT Survey findings and barriers to reform

This school

R.I. elementary schools

* Too few responses to report

? Inadequate data submitted

What Teachers Say
