The single most important aspect of a child’s education is having a good teacher. And teachers overwhelmingly cite student success as their principal motivator. To be maximally effective, teachers need to feel sure that their professional judgment is always vital to school improvement, to schoolwide decision-making, and to anything that affects the welfare of their students.

SALT Survey findings and barriers to reform

This school

- Highly qualified teachers

R.I. elementary schools

* Too few responses to report

? Inadequate data submitted

Teacher Participation Rates

The percent of teachers who responded to the SALT Survey

2004-05 2005-06 2006-07

Teacher efficacy

This school

- Highly qualified teachers

R.I. elementary schools

* Too few responses to report

? Inadequate data submitted

What Teachers Say
