All numbers are expressed as the percentage of students who reached the standard. Schools are alphabetized within each band.

**Blue markers** indicate prior years when schools were **above** the statistical estimate on all subtests. **06** indicates school year 2005-06.

**Black markers** indicate prior years when schools were **below** the statistical estimate on all subtests. **06** indicates school year 2005-06.

Please note: Test not administered at this school level in 2004-05.

**Blue %** shows that the percent proficient is **more than** the proportion of similar students statewide.

Regular type % shows that the percent proficient is the same as the proportion of similar students statewide.

**Italic black %** shows that the percent proficient is **less than** the proportion of similar students statewide.
